Activity Sponsors:

In an effort to keep Foreign Service youth engaged with their peers who understand and identify with their Third Culture Kid background, FSYF hosts events and activities throughout the year.

Below is a list of both regularly-scheduled activities (with their corresponding cost). Sponsors will receive logo or name on associated publicity and web pages where indicated.

- **College Workshop (\$1,500)**

When it comes to preparing for the college search, standardized testing, and the college application process, FS children face unique challenges. The annual College Workshop is a popular program for high school students and their parents which familiarizes high school students and their parents with the application process and how their TCK and Foreign Service experiences affect and are affected by the process. This seminar is led by a leading professional in the field. Sponsor's name and/or logo will appear on relevant publicity and corresponding web page.

- **Re- Entry Program for High School Students (\$1,000)**

Adjusting to America is difficult for any teenager who has grown up abroad. Adjusting to American high school can be even more of a challenge. This program seeks to prepare high school students for school in the US, provide them with tools to cope with a new culture and the resources to connect with fellow FS youth to help smooth the transition. Sponsor's name and/or logo will appear on relevant publicity and corresponding web page.

- **Re-Entry Program for Middle School Students (\$1,000)**
In response to the success of the high school program and to demand by FS families, we are developing our first Middle School Re-entry Program for Fall 2014. This program has the same goals and mission as the high school program but will be geared towards challenges faced in middle school transitions. Sponsor's name and/or logo will appear on relevant publicity and corresponding web page.
- **Publications (\$800 per publication)**
FSYF currently produces numerous publications including four copyrighted publications and two newsletters and is exploring the possibility of developing new resources in a variety of media. These resources keep FS families and youth informed and connected. Sponsor's name and/or logo will appear on relevant publicity and corresponding publication.
- **Evacuation Program (\$500 per evacuation)**
Evacuations are becoming a more common experience for Foreign Service families. From civil unrest to natural disasters, evacuations are becoming a more common experience for Foreign Service families. FSYF provides and coordinates additional and personalized support for families who have been evacuated from Post. Sponsor's name and/or logo will appear on relevant publicity and corresponding web page.
- **Social Events (\$400 per event)**
FSYF continues to develop events meant to connect FS youth and families with each other throughout the year in a fun setting. Activities include: game nights, family-friendly events, bowling and more. Sponsor's name will appear on corresponding web page.

** Prospective sponsors will need to be approved by the FSYF Board of Directors.
